**THE FOUR SENSES OF SCRIPTURE**

**Directions:** With your partner, read each selection from Scripture and summarize it. When you have finished reading the selections, either you or your partner should come up to receive a card containing commentary on the passage. Read the commentary, determine which passage it relates to, summarize it, and indicate which of the four senses of Scripture it refers to. Bring your paper up to be checked, and then trade in your card for another.
